Other Ways You Can Participate

Get Your Clubs to Join the Ambassador Program

For Club Ambassadors, any Rotary Club contribution of $500 can become an Ambassador Club. The club must pledge to advocate for support (monetary or volunteer time) for 2025 Float at any District, ZONE or other RI event that their members might attend. If support materials are needed they will be supplied 3-4 weeks prior to your event. Clubs that join will get:

• A Personalized banner for the Club
• A patch of the current year's Float
• The annual theme pin
• If requested, a hat for the President
• Entry to a drawing for a club member (or other designated individual over 18) to be a rider on that year's Float. Drawing is on the 2nd Saturday of October.
  Each consecutive year of renewal a club Ambassador will get all the above excluding a personalized banner that year's Float.

Become an Individual Ambassador

For an individual ambassador, any Rotarian in good standing contributing $500 or more, can become a Float Ambassador at their request. They must pledge to advocate for support (monetary or volunteer time) for 2025 Float at any District, ZONE or other RI event that their members might attend. If support materials are needed they will be supplied 3-4 weeks prior to their event. Individuals that join will get:
• A Personalized RRPFC Jacket
• A patch of the current year's Float
• The annual theme pin
• An official RRPFC hat in blue or yellow
• Entry to a drawing for a club member (or other designated Rotarian over 18) to be a rider on that year's float. Drawing is on the 2nd Saturday of October.

Each consecutive year of renewal they will get the above excluding a personalized jacket

Visit our website via Flowcode! There is no app needed to scan a Flowcode! Anyone can scan a Flowcode using just the camera on their smartphone or smartpad. Aim your camera at the code and tap the notification banner when it appears. (This step is not necessary for newer phones.) If you are farther away from the code, you may need to zoom in a bit to focus on the code. Give it a try!
