Rotary International President 2024-2025: Stephanie Urchick

Heroes of Hope Podcast featuring RI President Stephanie Urchick

<https://www.district5330.org/podcast/>

Stephanie Urchick, Rotary International President-Elect, joined us in the podcast studio, exuding the wisdom and strategy she's poised to bring to one of the world's most impactful service organizations. She doesn't just sit at the helm; she actively steers the Rotary community toward greater belonging and global peace. Throughout our conversation, Stephanie's dedication shines, especially as she recounts Rotary's profound impact in the Dominican Republic, reminding us all that service begins at the grassroots level.

Rotary's mission for peace resonates throughout the globe, and Stephanie's insight into how initiatives like the Youth Exchange program and Peace Pole installations are cultivating a new generation of peacemakers is nothing short of invigorating. She underscores the necessity of creating irresistible clubs that beckon new members to join and stay, fostering an environment where every Rotarian's story is a thread in the vibrant tapestry of our shared mission. It's not just about growing numbers; it's about nurturing a connected community that thrives on continuity and commitment to service.

As we look to the future, Stephanie paints a picture of a Rotary expanding its global footprint and deepening its community roots. From supporting clubs with the tools to succeed to enhancing our governance, every step is a stride towards a more engaged and effective Rotary. Stephanie's upcoming travels to Rotary Peace Centers and her focus on the Hearts of Europe testify to her resolve to grow membership and magnify our impact. And within every project, from local initiatives to global grants, the narrative of personal transformation carries the promise of Rotary's enduring legacy.

Serving our clubs and our Inspiring Rotary Heroes is my top priority in 2024-2025

I am humbled and honored to serve District 5330 in 2024-2025! We recently celebrated the tremendous work our clubs have accomplished in our region and the positive impact we, as Rotarians, are making in our community and worldwide.

In 2024-2025, we will continue this work and focus on three key initiatives:

1. First, the District's primary responsibility is to support our clubs. That is our only reason for being. The entire district staff and I are dedicated to providing the resources, experience, and assistance that our clubs need to be successful.
2. Second, consistency and continuity. The district Governor line and the District Team came together during 2023-2024 to develop a three-year strategic plan. We have made significant progress on several of the identified goals. We will continue that progress during 2024-2025, working together with District Governor-Elect Nyron McClean and District Governor Nominee Richard Lemier to strengthen the continuity and consistency of service our district provides to our clubs.
3. Third, we are focused on Inspiring New Rotary Heroes. Each one of us knows at least one person in our community who has a heart for service. We know they would benefit from the joy and pleasure of serving others. Now is the time to reach out, invite them to join us, and inspire them to become a Rotary Hero!

Congratulations to each of the President-Elects who will be taking office on July 1! Your district team is ready to support you and your club. Let's all work together to serve our community as Inspiring Rotary Heroes!

District Governor 2024-2025

Very Sad News to report — 2 more cases of wild poliovirus caused paralysis and one was deadly.

We are all aware of the devastating effects of permanent paralysis especially in parts of the world where there is limited access to medical treatment and rehab, but sometimes forget that polio has and continues to cause death in some cases!

Join us on the “last mile” to end polio!!

Did you know that District 5330 has developed a Human Trafficking Awareness trailer?

We have!

You may have seen the trailer if you were at the iGNITE festival. The trailer is a way to bring awareness to Human Trafficking and how our community can participate in the fight against it in their homes and neighborhoods. In the trailer, guests can watch a 14-minute video discussing the prevalence of this activity and be educated by brochures and information provided by local agencies fighting Human Trafficking.

Want to bring the trailer to one of your Rotary events? Click this link: <https://www.district5330.org/human-trafficking/>. Here, you will find access to training in Anti-Human trafficking and an opportunity to request the trailer for your event. Once you fill out the form, I will receive an email, and I will contact you to coordinate further.

Also, if you or someone you know has access to a covered storage area, we are looking for a covered space for the trailer. Please use the information provided below to contact me.

I look forward to hearing from you. Together, we can save lives.

We are a diverse **country**.

We are a diverse **society**.

We are diverse **individuals**. And we have very diverse **HOLIDAYS**.

Our District 5330 DEI Task Force will focus this column on the wide variety of recognized holidays for the Rotary year 2024-25.

What is GLOBAL FORGIVENESS DAY

*July 7 recognizes **Global Forgiveness Day** on the National Day Calendar to **encourage forgiveness as an element of personal health**. **Let's all make the effort to be more forgiving**. Global Forgiveness Day will be celebrated on Sunday, July 7, 2024. The day is intended to be a moment of **hope and a call to action** to promote understanding, compassion, and reconciliation in a world that can often feel divided and weighed down by conflict.*

The National Day Calendar encourages forgiveness as a component of personal health. According to a University of Wisconsin study, people who forgive others may experience fewer health issues, while those who are less forgiving may have more health problems. Forgiving someone can also help people let go of resentment and anger, and no longer feel the need for payback.

Youth Services - Jackie Chatman

My name is Jackie Chatman and I am the 2024-2025 District 5330 Youth Services Chair.

Stepping into the Rotary youth service chair position is an exciting and rewarding opportunity to make a significant impact on the lives of young people in our community. As the youth service chair, you are entrusted with the responsibility of guiding and supporting various youth-focused programs and initiatives. This role requires a blend of leadership, creativity, and a deep commitment to fostering the personal and professional development of young individuals.

One of the primary tasks is to oversee the coordination of youth programs such as Rotaract, Interact, EarlyAct, Rotary Youth Leadership Awards (RYLA), and Rotary Youth Exchange. These programs offer young people opportunities for leadership training, international exchange, community service, and personal growth. The role involves liaising with school administrators, community leaders, and fellow Rotarians to ensure these programs run smoothly and effectively.

Building strong relationships with youth is crucial. By engaging directly with young people, understanding their needs and aspirations, and offering mentorship, you can inspire and motivate them to reach their full potential. Organizing events, workshops, and service projects that align with their interests can foster a sense of belonging and community spirit.

Additionally, the youth service chair, will play a key role in advocating for the importance of youth involvement within Rotary. Promoting the successes and achievements of youth participants to the wider Rotary community and beyond can help garner support and resources for ongoing and future initiatives.

Overall, stepping into this role offers a chance to make a lasting difference, not just in the lives of young people, but in the broader community, by nurturing the next generation of leaders and changemakers.

I would like to introduce our 2024 2025 Youth Services team:

Youth Protection - Jackie Chatman

My name is Jackie Chatman and I am the 2024-2025 District Youth Protection Officer. As part of my role, I provide training to Rotarians in the area of Youth Protection. Anyone working with our youth should not only be livescanned but trained on the Rotary Youth Protection Policies and Guidelines. If you would like for me to come speak to your club or arrange for a mobile livescan, please feel free to contact me at jackiedhsrotary@gmail.com or 213-822-2634.

Youth protection is crucial to Rotary for several key reasons:

1. **Safety and Well-being**: Ensuring the safety and well-being of young people participating in Rotary programs is a primary concern. Protecting youth from abuse, exploitation, and neglect is fundamental to creating a secure and supportive environment.
2. **Trust and Reputation**: Maintaining trust within the community and safeguarding Rotary's reputation is vital. Effective youth protection policies demonstrate Rotary's commitment to ethical standards and responsible conduct, reinforcing its credibility and reliability.
3. **Legal and Ethical Responsibilities**: Rotary has legal and ethical obligations to protect minors. Adhering to local, national, and international laws regarding child protection is mandatory, and ethical guidelines help ensure that all actions are in the best interest of the youth.
4. **Positive Development**: Providing a safe environment helps foster the positive development of young people. By protecting youth, Rotary can offer enriching experiences that contribute to their personal growth, leadership skills, and community engagement.
5. **Sustainable Programs**: Effective youth protection policies ensure the sustainability and success of Rotary's youth programs. A safe and supportive environment encourages participation and helps attract volunteers and community support, essential for the long-term impact of these programs.
6. **Global Standards**: As an international organization, Rotary must meet global standards for youth protection. Implementing robust policies helps align Rotary's practices with international best practices and expectations, ensuring consistency and integrity across all regions.

In essence, youth protection is integral to Rotary's mission of service, fostering a positive, secure environment that supports the growth and development of young people while maintaining the trust and confidence of the communities it serves.

Cathedral City - Book

One of the members of the Rotary Club of Cathedral City members is Jeff Crider, a former newspaper reporter who has been writing history books for cities, water agencies and nonprofit organizations for the past decade.

Jeff has offered to put together a history book for District 5330, but he needs help gathering information from each club to make this book comprehensive. The idea to capture the full extent of District 5330's impact on people's lives, both here and overseas.

Could you email Jeff information on the humanitarian work your club either supported or carried out itself this past year or two? Jeff would like information on specific projects and the results of these efforts with statistics documenting the specifics of each humanitarian effort.

If you have information on your club's historic efforts to support specific humanitarian efforts over the past decades, Jeff would like that information, too, if you have it available. But Jeff doesn't want general information. He wants specifics as in the specific numbers of computers or books purchased, the specific numbers of surgeries or other healthcare services provided for a specific number of people, etc. The idea is to create a book that quantifies the impact of Rotary Clubs throughout our district and as a district as a whole.

This is going to be a long-term project as Jeff works full time and travels frequently. He is also involved in various humanitarian efforts himself. But Jeff promises to write a book for us. What we need to do is send him the information he needs and give him contact people and phone numbers and emails so he can follow up with questions as needed.

Jeff's email is criderpublicrelations@gmail.com. His cell number is 760-567-9775.

Join Us in Building a Home and Hope

In the heart of Tecaté, Mexico, an opportunity awaits to change lives forever. Rotarians are embarking on a mission to build a home with Corazón, Inc. (corazon.org), for a deserving family. But to achieve this dream, we need your support. We aim to raise \$15,500.00 to purchase materials and construct a home that will provide security and hope for a family in need.

Corazón operates on principles that align with our shared values:

Self-Sufficiency: Rather than hand-outs, Corazón empowers individuals through service exchange, education, and training, fostering independence and self-reliance.

Opportunity: There are numerous opportunities for participants, volunteers, and donors to make a profound impact on lives, creating a cycle of positive change for all involved.

Dedication: With a dedicated team of volunteers sharing their talents and a passion to help others, Corazón embodies unwavering commitment in providing tangible support.

Belief: For over 35 years, Corazón has united people from diverse faiths, forming bonds rooted in the belief of family, faith, and friendship, transcending borders and creating lifelong connections.

Many clubs within our district have been inspired by the presentations from Mike Savage at Corazón. Now, it's our chance to come together and make a tangible difference.

If you or your club would like to help sponsor the District 5330 Corazón House through monetary donation, or to join the team in Tecaté to help build the house (no building experience necessary) and be part of this transformative endeavor, please contact Kevin Taylor, Community Service Chair of the Rotary Club of Palm Springs Sunup, at kevin.pssunuprotary@gmail.com for more information or to pledge your support.

Let's join forces and not just build a home, but build a foundation of hope, dignity, and a brighter future for a family in need.
